**AMENDED AND RESTATED AGREEMENT FOR THE GOVERNANCE OF THE
JOINT POWERS AUTHORITY KNOWN AS THE MID-KINGS RIVER
GROUNDWATER SUSTAINABILITY AGENCY**

THIS AMENDED AND RESTATED AGREEMENT FOR THE GOVERNANCE OF THE JOINT POWERS AUTHORITY KNOWN AS THE MID-KINGS RIVER GROUNDWATER SUSTAINABILITY AGENCY ("Agreement") is made effective July 29, 2024 ("Effective Date") by action of the Mid-Kings River Groundwater Sustainability Agency Board with the agreement of its member agencies the COUNTY OF KINGS, a political subdivision of the State of California ("County"), as defined by California Government Code Section 23000 et seq., and the CITY OF HANFORD ("City"), a California general law city as defined by California Government Code Section 34102 (hereinafter referred to individually as "Member" and collectively as "Members"), to amend and restate the JPA Agreement dated November 22, 2016 forming the Mid-Kings River Groundwater Sustainability Agency ("Original Agreement").

RECITALS:

A. In September 2014, the Governor signed three bills (SB 1168, SB 1319, and AB 1739) into law creating the Sustainable Groundwater Management Act ("SGMA"). SGMA was amended in September and October 2015 when the Governor signed SB 13 and AB 617, respectively; and

B. SGMA authorizes the formation of entities called Groundwater Sustainability Agencies ("GSA"), one or more of which are authorized to implement provisions of SGMA as to each groundwater basin and subbasin falling within the provisions of SGMA; and

C. The Members overlie the Tulare Lake Subbasin (5-22.12 of the Department of Water Resources Bulletin 118 classifications) ("Subbasin") of the San Joaquin Valley Basin ("Basin"), an adjudicated groundwater basin, portions of which underlie the jurisdictional boundaries of each Member; and

D. Each of the Members is a local government entity with water supply, water management, and/or land use responsibilities within the Subbasin and is qualified individually to serve as a GSA under the provisions of SGMA; and

E. Under SGMA, a combination of local agencies may elect to form a GSA through a joint powers; and

F. On November 22, 2016 the Kings County Water District, the County of Kings and the City of Hanford executed a JPA Agreement creating the Mid-Kings River Groundwater Sustainability Agency ("MKRGSA"), a Joint Powers Authority. MKRGSA assumed its regulatory role as a GSA for all or portions of its Member's jurisdictional territory covering a portion of the subbasin prior to June 30, 2017, and has since performed its required duties including submitting a Groundwater Sustainability Plan ("GSP") to the Department of Water Resources by January 31, 2020. ;and

G. On May 30, 2024, the Kings County Water District provided the County of Kings and the City of Hanford 60 days' prior written notice of its termination of membership in the JPA.

H. Having received such notice, the County of Kings and the City of Hanford desire amend and restate the Original Agreement to continue the GSA without the Kings County Water District as a member agency, and to modify the makeup of the Mid-Kings River GSA Board of Directors; and

MID-KINGS RIVER GSA

I. The Members, through the Authority (as defined below), intend to work cooperatively with other GSAs to create a Basin-wide GSP or enter into a Coordination Agreement with other GSAs if multiple GSPs must exist over the Subbasin. The Members desire to continue collecting and organizing data, engaging and retaining experts and consultants, and soliciting feedback from beneficial users, users of groundwater and interested parties within the portion of the Subbasin subject to their jurisdiction, for the purpose of contributing to a Subbasin-wide GSP or for the purpose of creating a GSP for the portion of the Subbasin within their jurisdictional boundaries that will be one of multiple GSPs for the Subbasin that will be coordinated by agreement; and

J. The Members intend by this Agreement to provide for the management and funding commitments reasonably anticipated to be necessary for the above purposes; and

K. The City intends for the County to manage the SGMA implementation, reserving to itself a possible future participatory role in SGMA implementation. Such a future role is separate and distinct from the City's regulatory, land use, and police powers, which are reserved unto the City, and to which the GSA is subject pursuant thereto. The geographic boundaries of the GSA contemplated by the Members are set forth in the map attached hereto as Exhibit "A", which is incorporated herein by this reference; and

L. The Members intend by this Agreement to provide a framework for cooperative efforts for all entities and individuals within the Authority's jurisdictional area and to implement SGMA in the most effective, efficient, fair and reasonable way possible, and at the lowest reasonable cost.

NOW THEREFORE, in consideration of the promises, terms, conditions, and covenants contained herein, the Members hereby agree as follows:

Section 2.04. Water Rights. As provided in Water Code Section 10720.5, groundwater management under this Authority shall be consistent with Section 2 of Article X of the California Constitution and any GSP adopted by the Authority shall not determine or alter surface water rights or groundwater rights under common law or any provision of law that determines or grants surface water rights.

Section 2.05. Precedence of Land Use Authority. Nothing in this Agreement or a future groundwater sustainability plan shall be interpreted as superseding the land use authority of County or City, including the County General Plan and the City General Plan (Wat.Code § 10726.8(f).)

ARTICLE III GOVERNING BODY

Section 3.01. Governing Board. The Authority shall be governed by a Board composed of Directors (“Board”). All voting power of the Authority shall reside in the Board.

A quorum of the Board must be present at the time of any vote on any matter before the Board. An affirmative vote of at least a majority of the Director positions present in a quorum of the Board, shall be required for any action of the Board. Notwithstanding the foregoing, approval of certain types of matters shall require the approval of two-thirds (2/3rds) of all Director positions (meaning at least four (4) votes to approve, which would proportionately increase as members are added, if any). The items requiring approval of two-thirds (2/3rds) of all Director positions are: adoption and amendment of budgets, assessments, litigation, hiring or termination of the chief executive officer, adoption or amendment of a GSP, the addition of new Members, the termination or removal of Members, execution and amendment of a Coordinating Agreement with other GSAs, and amendment of this Agreement.

Committees will be established and dissolved at the discretion of the Board.

ARTICLE V OFFICERS AND EMPLOYEES

Section 5.01. Chair and Vice-Chair. During the Board's first regular meeting of each year, the Board shall elect a Chair and a Vice-Chair from among the Directors. The Chair and the Vice-Chair shall serve at the pleasure of the Board and shall perform the duties normally required of said offices.

The Chair shall: (1) preside at and conduct each meeting of the Board, (2) represent the Board as directed by the Board, (3) be an ex-officio member of each committee established by the Board, and (4) perform such other duties as may be imposed by said Board;

The Vice-Chair shall act and perform all of the Chair's duties in the absence of the Chair; and

The Chair or Vice-Chair may sign all contracts and agreements as approved by the Board.

Section 5.02. Secretary. The Board shall appoint a Secretary from among the employees of the Authority, the

MID-KINGS RIVER GSA

employees of the Members, or if no such employees exist, a consultant. The Secretary shall serve at the pleasure of the Board. The Secretary shall act on behalf of the Authority and perform such other duties as may be imposed by the Board. The Secretary may sign agreements for the Authority when authorized by the Board.

Section 5.03. Treasurer and Auditor.

The Treasurer is designated as the fiscal agent and depository for the Authority. The initial Treasurer for the Authority following this amendment shall be the Director of Finance of the County, or designee thereof. The Authority shall reimburse the County for all contributions and expenses incurred by the County pursuant to the County Director of Finance's role as Treasurer, or for any other administrative assistance provided to the Authority by the County. The Authority and the County may enter into a separate agreement regarding reimbursement of the County for any and all contributions and expenses incurred by the County consistent with this Section.

Thereafter, the Treasurer shall be appointed by the Board. The Treasurer shall be the depository and have custody of all money of the Authority, from whatever source, subject to the applicable provisions of any indenture or resolution providing for a trustee or other fiscal agent. All funds of the Authority shall be held in the joint operating fund, established later in this Section, or in such other separate accounts as may be necessary, in the name of the Authority and not commingled with the funds of any Member or any other person or entity. Full books and accounts shall be maintained for the Authority in accordance with practices established by, or consistent with, those utilized by the Controller of the State of California for public entities. The books and records of the Authority shall be open to inspection by the Members at all reasonable times, and by bondholders and lenders to the extent provided by resolution or indenture.

The Authority shall have the power to establish a joint operating fund. The fund shall be used to pay all administrative, operating and other expenses incurred by the Authority, and will initially be funded by Member contributions as set forth in the initial and annual operating budgets. The Treasurer shall draw checks or warrants or make payments by other means for claims or disbursements not within an applicable budget only upon the approval of the Board and in accordance with Board directions and authorizations concerning authorized account signatories. The Authority's Members may invest any money in the treasury that is not required for its immediate necessities in the same manner, and upon the same conditions, as any local agency may do pursuant to Government Code Section 53635.

There shall be strict accountability of all funds, and the Treasurer designated by the Board shall report any and all receipts and disbursements to the Board with such frequency as shall reasonably be required by the Board. The Authority will utilize the services of an outside independent certified public accountant ("Auditor") to make an annual audit of the accounts and records of the Authority as required by Government Code Section 6505, unless the Board, by unanimous vote, elect to conduct the audit for a two (2) year period. In each case, the minimum requirements of the audit shall be those prescribed by the State Controller for special districts pursuant to Government Code Section 26909, and shall conform to generally accepted accounting principles. The Auditor selected by the Authority shall be formally designated by a resolution

MID-KINGS RIVER GSA

adopted by majority vote of the quorum present stating the effective date of the appointment and the term of the appointment.

Section 5.04. Officers in Charge of Records; Funds; and Accounts. Pursuant to Government Code Section 6505.1, the Treasurer shall have charge of, handle and have access to all accounts, funds and money of the Authority and all records of the Authority relating thereto; and the Secretary shall have charge of, handle and have access to all other records of the Authority.

Section 5.05. Employees and Consultants. The Board may hire employees and consultants, including without limitation managers, engineers, field staff, accountants and attorneys, to provide services and leadership to the Authority to accomplish the purposes of the Authority.

ARTICLE VI

ACCOUNTS AND REPORTS; FUNDS

Section 6.01. Accounts and Reports. The Treasurer shall establish and maintain such funds and accounts as may be required by good accounting practice. The books and records of the Authority shall be open to inspection at all reasonable times by the public and representatives of the Members. The Auditor, within one hundred twenty (120) days after the close of each Fiscal Year, shall give a complete written report of all financial activities for such Fiscal Year to the Members.

Section 6.02. Annual Budget. The Board shall annually adopt a budget for the Authority. The Treasurer shall disburse funds as set forth in the adopted budget. Members shall make contributions which shall be included in the budget adopted by the Board. A Director's affirmative vote to approve a budget does not constitute consent to finance or otherwise participate in any project or projects within that budget.

Section 6.03. Intention for Reimbursement for Expenditures from Alternative Funds. It is the intention of the Members that the advancement of monies by any Members for expenses of the operational needs of the Authority shall be reimbursed from the proceeds of grants or other funds, if alternative funds are obtained and such reimbursement is allowed by law. Additionally, in accordance with Government Code Section 6512.1, the Board may direct repayment or return to the Members of all or part of the contributions made by the Members, upon such terms as may be consistent with any indebtedness incurred by the Authority. Unless otherwise prohibited by the alternative funding source, said alternative source's funds will be disbursed before local funds for covered Authority obligations.

As of the date of this First Amendment, the GSA has an existing debt to former member Kings County Water District of approximately \$532,350 and a debt to the City of Hanford of approximately \$150,000. These funds are expected to be paid back as practicable following receipt of grant funds and/or a successful Proposition 218 election passed by Authority landowners. It is anticipated that a portion of the Proposition 218 funds will be used to pay for ongoing GSA expenses and a portion to repay the existing debts of the Mid-Kings River GSA so that those existing debts can be repaid in a time period close to within 4 years of the successful Proposition 218 election being passed by Authority landowners.

Section 6.04. Assessment of Members. The Board may vote to assess Members for a share of costs incurred

MID-KINGS RIVER GSA

by the Authority or which are anticipated to be incurred by the Authority based on methods described below. Assessments paid by Members shall be treated as loans to the Authority.

It is the intent of the Members to financially support the Authority only until the Authority can financially sustain itself by developing a reliable funding stream through assessments, water charges or other potential fees. Once the Authority becomes financially self-sustaining, the Members will be reimbursed for the initial start-up funding provided to the Authority. Reimbursement will occur such that the oldest contributions will be reimbursed before newer contributions.

The method of cost allocation among the Members is envisioned to evolve over time. However, from the effective date of the JPA Agreement to the effective date of its First Amendment, cost has been split 75% to the District and 25% to the City. As a starting place following this First Amendment, it has been agreed that for the GSA's next fiscal year beginning in January 2025, costs will be split 89% to the County and 11% to the City, which allocation is partially based on acres of land within each agency's coverage area. Cost sharing for subsequent budgets will be negotiated in good faith at the time when those budgets are considered.

All assessments shall be paid by Members within sixty (60) days of the approval of the assessment by the Board.

ARTICLE VII MEMBERSHIP

Section 7.01. Other Members. The Board may vote to approve other entities to be Members of the Authority, as well as to appoint representatives of new Members serving as Directors and alternate Directors on the Board.

Section 7.02. Removal of Member. The Board may vote to remove any Member as a member of the Authority in accordance with Section 3.05.

ARTICLE VIII TERM; WITHDRAWAL; TERMINATION

Section 8.01. Term. The Authority shall continue in existence until dissolved by the Members. Dissolution of the Authority will occur only by unanimous written consent of all Members.

Section 8.02. Withdrawal of Member/Territory. A Member may terminate its membership in the Authority at any time, or, alternatively, authorize the withdrawal of land within its service area or political boundary, by giving sixty (60) days' prior written notice of the withdrawal to the Authority. A withdrawing Member shall be entitled to: (i) all data, information, and work product gathered and developed by the Authority and the Authority's contractors and consultants through the end of the then-current fiscal year or the effective date of the Member's withdrawal, whichever is later; and (ii) an interest in the Authority's assets in proportion to the withdrawing Member's past unreimbursed contributions and its share of obligations and liabilities for which it will remain responsible following withdrawal. Any such withdrawal shall continue to obligate the Member to pay its share of all debts (e.g. budgeted funding commitments within the fiscal year, indebtedness related to asset acquisition, regulatory fees), liabilities, and obligations incurred or accrued prior

MID-KINGS RIVER GSA

to the effective date of such withdrawal.

Should a Member choose to withdraw from the Authority or to authorize the withdrawal of territory within its service area or political boundary in accordance with the terms of this Agreement, that Member expressly retains the right to serve as the GSA or, alternatively, will ensure GSA coverage by another entity, in coordination with Department of Water Resources and subject to the requirements of the Act, for that portion of the Subbasin underlying its jurisdictional boundaries or service area.

Section 8.03. Disposition of Assets. Upon termination of the Authority, any assets shall be returned to the Members in the same proportion said Members have funded such reserves or surplus, in accordance with California Government Code § 6512.

ARTICLE IX MISCELLANEOUS PROVISIONS

Section 9.01. Amendments. This Agreement may be amended by the Board at any time, or from time to time. No change, amendment or modification of this Agreement shall be valid unless the same be in writing and signed by the Members in accordance with Section 3.05.

Section 9.02. Claims. All claims against the Authority, including, but not limited to, claims by public officers and employees for fees, salaries, wages, mileage, or any other expenses, shall be filed within the time and in the manner specified in Chapter 2 (commencing with Section 910) of Part 3, Division 3.6 of Title I of the Government Code, which describes the appropriate content of a claim.

Section 9.03. Indemnification. The Authority shall indemnify, defend, and save harmless the Members, their officers, agents, and employees, and appointed members of the Board of Directors, their officers, agents, and employees, and committee members, their officers, agents, and employees, from and against any and all claims and losses whatsoever, occurring or resulting to persons, firms, or corporations furnishing or supplying work, services, materials or supplies to the Authority in connection with the performance of this Agreement, and, except as expressly provided by law, from any and all claims and losses accruing or resulting to any persons, firm or corporation, for damage, injury, or death arising out of or connected with the Authority's performance of its obligations under this Agreement. Nothing herein shall limit the right of the Authority to purchase insurance or to create a self-insurance mechanism to provide coverage for the foregoing indemnity.

Section 9.04. Insurance. The Authority shall obtain insurance for all Members, appointed members, and committee members, including but not limited to directors' and officers' liability insurance and general liability insurance containing policy limits in such amounts as the Board of Directors shall determine will be necessary to adequately insure against the risks of liability that may be incurred by the Authority.

Section 9.05. Severability. If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions will remain in force and unaffected to the fullest extent permitted by law and regulation.

Section 9.06. Sole and Only Agreement. This Agreement supersedes any and all other agreements,

MID-KINGS RIVER GSA

either oral or in writing, between the parties hereto with respect to the matters set forth herein and contains all of the covenants and agreements between the parties regarding said matters. Each party to this Agreement acknowledges that no representations, inducements, promises or agreements, orally or in writing, have been made by any party or anyone acting on behalf of any party which are not embodied in this Agreement and no other agreement, statement or promise shall be valid or binding.

Section 9.07. Waivers. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.

All notices required or permitted by this amended JPA or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified, or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by electronic transmission (email) and shall be deemed sufficiently given if served in a manner specified in this Section 5.
